

Global Food Safety Initiative (GFSI)/SQF Certification

Handy Wacks Corp. is now GFSI/SQF certified. The SQF Program is recognized by the Global Food Safety Initiative (GFSI) and links primary production certification to food manufacturing, distribution and agent/broker management certification.

What does this new certification mean for you our customer? Having this certification means that Handy Wacks is globally recognized as a company that provides their customers with the safest food contact products possible. Customers can buy with confidence knowing our products are held up to strict standards of the SQF food safety code.
